

keyboard.h

```
graph TD; keyboard.h --> stdbool.h; keyboard.h --> stdint.h;
```

A diagram illustrating a dependency relationship. At the top is a gray rectangular box labeled 'keyboard.h'. Two blue arrows originate from the bottom edge of this box. One arrow points diagonally down and to the left to a white rectangular box labeled 'stdbool.h'. The other arrow points diagonally down and to the right to a white rectangular box labeled 'stdint.h'. All boxes have a thin black border.

stdbool.h

stdint.h
